PRINCIPALS MESSAGE

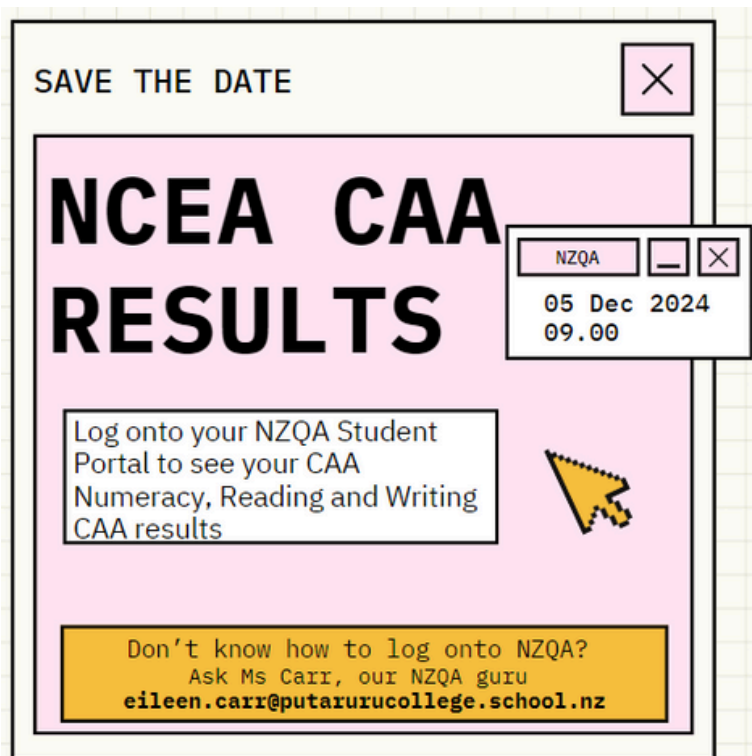

Kia ora koutou katoa! Another week has passed us by at school and I hope that all of our learners have maintained a focus on learning and adding to their kete of skills. This week saw the passing through of the Hikoi mo te Tiriti in Tirau. A roopu of our akonga and kaiako went along to show their support for the kaupapa. Mauri Ora! Our year 10 cyclists went on a hikoi of their own continuing their travels along the Waikato river and today saw a group of year 10 students engage in an outdoor ed experience organised by our Health, Outdoor, and Physical Education (HOPE) team...they went indoor climbing...due to the rain making the planned tramp yucky! It is heartening to see that our juniors are holding the fort with really good attendance, keep it up whanau it, turning up everyday really does make a difference. Have a great weekend, stay dry and go the AB's (again).

ESOL class aims to work as a small and diverse group of students who collectively support each other in developing their understanding of the English language. Students within the ESOL class are an inclusive and supportive team who encourage each other to grow to their fullest potential, recognising and celebrating each other's success and journey.

Throughout the year, we have been developing and strengthening our English Language. Students were introduced to the Learning Village, which has boosted their learning. ESOL students were awarded a course completion certificate for this year by our principal and their teacher, Mrs Lal-Philips, feels very proud to have had the opportunity to work with such a wonderful team of young people.

TIME TO STUDY

Toitū te whenua!
Toitū te moana!
Toitū te Mana Māori Motuhake!

Kia ora e te whānau,

It was an awesome week, with board and staff attending the final session with Poutama Pounamu, solidifying our knowledge in Aotearoa histories and how the lessons from the past can improve the future for our akonga.

The board is excited to have approved the creation of a new sensory space for our students which will be built over the summer break.

With the seniors on study leave our kura feels quite empty but our junior students seem to be enjoying the space.

Onwards we go to the end of the year.

Noho ora mai

Debbie Meads on behalf of the School Board

The PC Comets touch team are coming together well. This week saw the team bond around Orion's birthday celebrating with a very narrow win!

Good learning along the way....like not to sub on defence!
Roll on next week!

Congratulations to the following students, who have all successfully gained their learners licenses.
